3. **Grading:** The University policy on grading and related matters is described sections F.1 and F.2 of the online University Calendar. In determining the overall grade in the course the following weights will be used:
   
   - Assignments (6)  
   - Quizzes (in Tutorial)(5)  
   - Midterm test (2)  
   - Final Examination  

   Each piece of work (assignment, laboratory report, midterm test or final examination) submitted by the student will be assigned a letter grade. The final grade for the course will be a weighted grade point average of the individual letter grades, using the weighting factors in the table above." [This is the "desired method" implied by F.1.  

4. **Missed Components of Term Work:** The regulations of the Faculty of Science pertaining to this matter are found in the Faculty of Science area of the Calendar in Section 3.6. It is the student's responsibility to familiarize himself/herself with these regulations. See also Section E.6 of the University Calendar
