

Assignment #5

Due: **Monday, December 8th at 12pm in the box marked Stat 333 inside room MS 315.**

Assignments will not be accepted if they are passed in after this time.

Marks will be deducted if the assignment does not have a cover page with your name,
and pages that are stapled!

Write a 1-2 page single spaced 10 font typed essay on one of the following topics:

1. Explain how the material that you've learned in this course has made you more critical of the statistics reported around you and how it could apply to your future career choice.
2. Pick a recent article from a newspaper, journal, magazine etc, and comment on the validity of the stats that they used based on what you have learned in the course. (No number crutching.) Please include a copy of the article.
