

AMAT 505 L01.  
CALCULUS ON MANIFOLDS  
Fall 2009

**Instructor:** Jędrzej Śniatycki, MS 320. e-mail: sniat@math.ucalgary.ca

**Organizational meeting:** Wednesday, September 9 at 1pm in MS 452.  
During the meeting we decide on the times of lectures and the grading criteria.  
Students who cannot participate in the meeting should send me their time-tables so we can avoid conflict arranging lecture times.

There is no required text. Students can use any text on differentiable manifolds.  
Lecture notes will be posted on the web. Chapter 1 is already available.
